

The Sundre & District Curling Club is excited to announce an online 50/50 cash raffle in efforts to raise funds needed to upgrade our facility for wheelchair accessibility.

We welcomed our first wheelchair curling member to our club last season! We have completed an accessibility audit and are looking forward to getting started with this project.

Thank you for your support!

Ticket sales will be active until April 4th, 2025. Winner will be drawn that weekend.
